# WHAT YOU NEED TO KNOW IN CASE OF AN EVACUATION

## KNOW YOUR EVACUATION ZONE

In order to understand whether your area is under an evacuation warning or order, you need to know your Zone Name. Authorities will use Zone Names in emergency alerts, media releases and social media to notify residents what areas are under an evacuation warning or order.

1. Go to [protect.genasys.com](https://protect.genasys.com)
2. Enter your address into the search bar
3. Find your Zone in the pop-up window and write it down

▶ [protect.genasys.com](https://protect.genasys.com)

## BEFORE AN EVACUATION

- Have a plan for how you will leave and where you will go
- Develop a family communication and reunification plan
- Have a go-bag with three days of clothing, medications, phone numbers and important paperwork
- If you have a vehicle, make sure the fuel tank is full
- If you don't have a vehicle, have a plan for how you will leave

## DURING AN EVACUATION

- Leave as soon as an evacuation is recommended
- Don't wait to be ordered to leave
- Locate your pets and take them with you
- Tune to AM radio stations or AM advisory radio systems for the latest information
- Have an evacuation route plan
- Follow designated evacuation route map

# EMERGENCY EVACUATION INFORMATION

Truckee Police and Truckee Fire have joined Nevada County in using Nevada County Alerts Emergency Warning System as the primary method of communication during critical incidents. They will send texts and emails directly to your wireless device or email account during an emergency or for evacuation messaging.

# ADDITIONAL SOURCES OF INFORMATION

## BROADCAST RADIO

780 AM KKOH, 1670 AM (Community Advisory Radio Station), 88.7 FM KUNR, 101.5 FM KTKE

## TELEVISION

Reno and Sacramento stations (cable and satellite) broadcast emergency alerts.

## NOAA WEATHER RADIO

NOAA Weather Radio broadcasts emergency weather alerts and other events. During an emergency, the National Weather Service forecasters send a special tone to activate weather radios.

## SOCIAL MEDIA

Trusted social media partners such as government accounts often provide reliable sources of information.

## FRIENDS + NEIGHBORS

Share information with friends and neighbors. Get to know each other before an emergency and help each other when an incident occurs.

## REMEMBER – DON'T WAIT TO BE ORDERED TO EVACUATE. LEAVE IF YOU SEE DANGER.

## EMERGENCY NOTIFICATIONS IN TRUCKEE

Tahoe Donner is one of many subdivisions in Truckee, and all emergency response is provided by the Town of Truckee, Truckee Fire Protection District and CAL FIRE. In the case of a wildfire, initial units on scene will determine the need for evacuations and community notifications.

The notification types that you could receive include the following:

### COMMUNITY ADVISORY

Be aware that a fire is in the area and emergency personnel are on the scene.

### EVACUATION WARNING

The area is threatened and evacuations are possible. People needing extra time to evacuate should consider leaving now.

### EVACUATION ORDER

Imminent danger. Leave now. Do not wait. Go now.
