- ▲ BIKEWORKS
- ▲ GOLF COURSE
- ▲ TROUT CREEK REC CENTER (PRIVATE)
- ▲ BEACH CLUB MARINA (PRIVATE)
- ▲ DOWNHILL SKI RESORT

TRAIL DIFFICULTY RATINGS

These trail ratings describe the general degree of challenge found within the Tahoe Donner Association Trail System. Please note these are general ratings, and most trails have a varied level of difficulty. There are inherent risks associated with trail use; know your ability and stay within it. Always use proper caution when enjoying the trails.

● **GREEN CIRCLE TRAILS** tend to have lower average grades on wider tread with fewer technical characteristics, gradual turns and long lines of sight.

■ **BLUE SQUARE TRAILS** fall somewhere in between green circle and black diamond trails.

◆ **BLACK DIAMOND TRAILS** tend to have steeper grades on narrower tread with more technically challenging characteristics such as obstacles, quick turns and short lines of sight.

NO FIRES

Tahoe Donner is committed to environmental sustainability, which is why we print our trail maps on eco-friendly mineral based paper. No trees, water or hazardous chemicals were used in production. More info at stonepaperinfo.com.

WELCOME

The Tahoe Donner Trail System features over 60 miles of trails across 5,000 acres of epic Sierra Nevada terrain. It is the ultimate playground for hikers, trail runners, mountain bikers and equestrians.

The Tahoe Donner Trail Crew works to perform revegetation efforts, reduce erosion and implement best management practices for a resilient and healthy ecosystem. Their ongoing stewardship of the trail system continues to provide recreation opportunities. Please observe signage and stay on designated trails to avoid disturbing sensitive areas undergoing revegetation or erosion control.

The Tahoe Donner Trail Crew has also begun implementing adaptive trail management practices to enhance safety and improve recreation opportunities for all trail user groups. Make sure to note signage and only access designated trails as part of the appropriate group.

There will be ongoing changes to the trail system to meet the intent of the 2022 Trail Master Plan. To see the most up-to-date version of the trail map, go to tahoedonner.com/map or scan the QR code below.

Trails can be easily accessed from the Alder Creek Adventure Center, Trout Creek Recreation Center, Glacier Way, Town of Truckee Trout Creek Class 1 Bike Path Trailhead, nearby street connections and other marked trailheads.

TRAIL USE INSTRUCTIONS

- TRAILS OPEN FROM SUNRISE TO SUNSET**
- GO SLOW + SAY HELLO**
Announce yourself to other trail users
- TRAVEL AT A SAFE SPEED**
Stay in control; respect slow zones
- SLOW DOWN WHEN PASSING**
Animals and other trail users may be unpredictable
- BE AWARE OF YOUR SURROUNDINGS**
Look and listen for other trail users or wildlife
- KEEP ONE EARBUD OUT**
Stay present to avoid hazards

REPORT HAZARDS
CALL (530) 414-8166 TO REPORT TRAIL PROBLEMS, VANDALISM, SAFETY ISSUES OR AGGRESSIVE ANIMALS

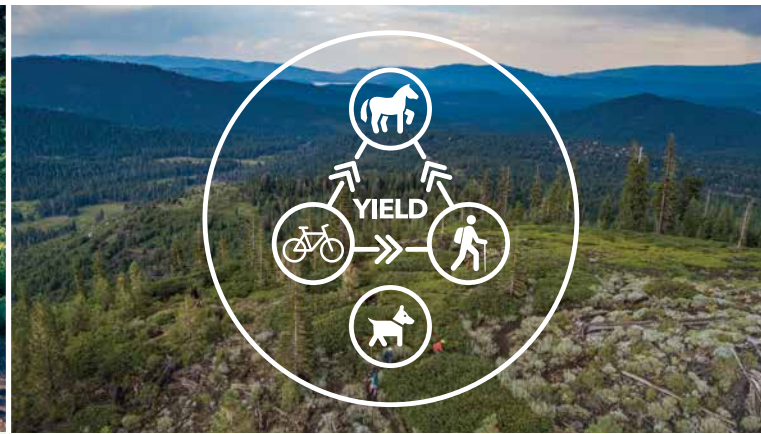

FOR EMERGENCIES, CALL 911

YIELD ETIQUETTE

Expect to come across fellow recreationists each time you head out on the trails. Although common sense goes a long way when using busy routes, all trail users should observe the following yield etiquette.

Adaptive trail management practices limit certain user groups to designated trails. Only access designated trails as part of the appropriate group and follow all other yielding etiquette.

- UPHILL TRAFFIC HAS RIGHT OF WAY**
- HORSEBACK RIDERS HAVE RIGHT OF WAY**
Equestrian traffic has the right of way, but riders should be prepared for inexperienced trail users who are unfamiliar with how to act around horses. Horseback riders should avoid high-traffic and multi-use trails whenever possible.
- HIKERS + TRAIL RUNNERS MUST YIELD FOR HORSEBACK RIDERS**
If you encounter a horse, foot traffic should step to the downhill side of the trail to let horses pass. Always announce your presence when approaching those on horseback to avoid scaring the animals.
- BIKERS MUST YIELD FOR HIKERS + HORSEBACK RIDERS**
If you encounter a horse, bikers should stop, get off bikes and step to the downhill side of the trail to let horses or hikers pass. Always announce your presence when approaching people and horses on the trail.
- DOGS YIELD TO ALL TRAIL USERS**

DOG INFORMATION

- KEEP DOGS ON LEASH**
Dogs must be on leash at all Tahoe Donner amenities and common areas, including parking lots and streets, as well as on the Nature Loop, East Perimeter Trail, Alder Creek Trail and Hillside Trail
- KEEP DOGS UNDER VOICE COMMAND**
Well-behaved dogs who respond to owner's immediate voice command and stay within visual sight of owner are permitted off leash on Tahoe Donner trails, except for those specified above
- DO NOT LET DOGS APPROACH OTHERS**
Do NOT let your dog approach other dogs, people or horses without their verbal consent
- PICK UP AFTER YOUR PET**
Dog waste carries disease; pack out waste and dispose of it in trash cans
- KEEP DOGS OUT OF SENSITIVE AREAS**
Including meadows, wetlands and streams

BE RESPECTFUL

After the 642-acre purchase of Crabtree Canyon in May 2016, Tahoe Donner Association's open space expanded to 5,018 acres. The private lots and residences of Tahoe Donner make up a total of 2,358 acres. When combined, the size of Tahoe Donner is 7,376 acres. Much of Tahoe Donner's owned acreage is open space, and the board, committees and management are committed to protecting and enhancing the area for long-term stewardship and sustainable recreation.

There are several neighbors that access their property via Tahoe Donner. These include private lots and residences, the U.S. Forest Service, Tahoe National Forest, the Euer family, the Donner Euer Valley Corporation, the Truckee Donner Land Trust and other large landowners.

The private land adjacent to Tahoe Donner is not accessible to Tahoe Donner members or the public. Please obey the boundary signs; do not trespass.

- LEAVE THE LAND BETTER THAN YOU FOUND IT**
- LEAVE NO TRACE**
Deposit waste in approved receptacles or pack out
- NO TRESPASSING**
Respect signs and private property

BE PREPARED

- TAKE WATER, SNACKS + SUNSCREEN**
- BE PREPARED FOR RAPIDLY CHANGING WEATHER**
- CARRY A CHARGED CELL PHONE**
Note: Some areas may not have cell service
- WATCH YOUR STEP**
Stay aware of your surroundings; icy conditions occur throughout the year, and bridges and boardwalks may be slippery

PROTECT THE ENVIRONMENT

- STAY ON TRAILS**
- STAY OFF MUD**
- STAY OFF WETLANDS**
- BE AWARE OF WILD ANIMALS**
Do not disturb wildlife
- PREVENT SPREADING SEEDS**

TRAIL USER SAFETY + RESPONSIBILITY

Mountain biking, equestrian, hiking and other recreational activities on the Tahoe Donner Trail System offer a range of challenges and adventures. Trail users can choose gentle scenic routes or challenging singletrack descents.

Be aware of hazardous conditions that may include varying terrain, natural and human-made obstacles, vehicles, animals, insects, other trail users and changing weather.

Regardless of what type of terrain you select, remember there are elements of risk in these recreational activities. Common sense and personal awareness can help to create a positive trail experience for everyone. Your knowledge, decision-making and actions contribute to your safety and the safety of others.

Tahoe Donner trail users understand and acknowledge that mountain biking, equestrian, hiking and other recreational activities on the trail system are hazardous sports with many inherent risks. Trail users assume all risks of severe personal injury including death as well as damage to or loss of property arising from participation in these sports.
